
New York State Department of Environmental Conservation Notice of Complete Application

Date: 04/20/2026

Applicant: ARG SERVICES OF WNY INC.
366 WASHINGTON ST
ALBION, NY 14411

Facility: ARG TRANSFER & RECYCLING
366 WASHINGTON ST
Albion (Orleans), NY 14411

Application ID: 8-3420-00085/00001

Permits(s) Applied for: 1 - Article 27 Title 7 Solid Waste Management

Project is located: in ALBION in ORLEANS COUNTY

Project Description:

The Department has received an application from ARG Services of WNY Inc. (ARG Disposal & Transfer) to modify their Solid Waste Management Facility permit. The facility is located at 366 Washington Street in the Village of Albion, NY and is currently permitted to receive and transfer up to 150 tons per day of non-hazardous construction and demolition (C&D) debris, clean wood, brush, concrete and clean hard fill, metal (as part of C&D), and shingles. The applicant is requesting to include the acceptance and transfer of municipal solid waste and recyclables in their permit and to increase the facility's maximum throughput of materials to 350 tons per day. Garage doors would be installed on the south wall of the pre-existing 8000 square foot processing building. No other major site improvements are needed to accommodate the proposed permit modification.

Proposed operating hours are 7:00 a.m. to 5:00 p.m., Monday through Friday, and 7:00 a.m to 1:00 p.m. on Saturdays.

A document repository with additional information is available at the Village of Albion office located at 35 E. Bank St., Albion, NY 14411 and also online at: <https://argdisposal.com/document-repository-permit-modification/>

Pursuant to the requirements of Section 7(3) of the Climate Leadership and Community Protection Act (CLCPA), the Department has requested and received information regarding the project's consistency with the CLCPA.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

State Environmental Quality Review (SEQR) Determination

Project is an Unlisted Action and will not have a significant impact on the environment. A Negative Declaration is on file. A coordinated review was not performed.

SEQR Lead Agency None Designated

State Historic Preservation Act (SHPA) Determination

The proposed activity is not subject to review in accordance with SHPA. The application type is exempt and/or the project involves the continuation of an existing operational activity.

DEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29)

The proposed action is subject to CP-29.

Availability For Public Comment

Comments on this project must be submitted in writing to the Contact Person no later than 05/14/2026 or 15 days after the publication date of this notice, whichever is later.
